REFERENCE SIRES

SydGen KCF Gavel 8361

The $240,000 valuation bull, SydGen KCF Gavel 8361 has outstanding growth genetics (top 10% or better WW, YW, and RADG), while having fatastic feet (Top 1% claw). He is owned by leading Angus programs, Knoll Crest Farm, Mogck & Sons, and Sydenstricker Genetics.

B A R Dynamic

No other bull in the Angus breed today has his high level of CED, WW, YW, and low level of DMI. His grandam is described by Jim Brinkley as the best cow he's ever owned.

DE-SU Volunteer B122

Volunteer progeny headlined the 44th Annual SydGen Fall Sale with a fall yearling daughter selling for $60,000 while the $35,000 top-selling spring heifer calf was also a daughter of Volunteer with six daughters compiling an average price of $22,283.

Basin Jameson 1076

Basin Jameson is the $600,000 Montana record-setting sire that ranked 4th among Angus sires for progeny registered in the AAA 2025 fiscal year.There have been 5,465 progeny of Jameson genomic tested, and his first 56 daughters recorded an avgerage weaning ratio of 104.

REFERENCE DAMS

SydGen Rita 5730

SydGen Rita 5730, a long-time donor for Sydenstricker Genetics and Express Ranches with $350,000+ in progeny sales.

Woodhill Blackbird C15-F083

Woodhill Blackbird C15-F083 the $50,000 ½ interest now-deceased donor dam, and granddaughter of the A91 Pathfinder Dam by Hoover Dam. She has proven to be a superior source of marbling genetics with her first 12 progeny scanned recording and average %IMF ratio of 112.

SydGen Evergreen 0117

The $28,000 top-selling heifer calf in Sydenstricker Genetics 3030 offering to Greiner Angus, Kalona, IA, going into their joint donor program.
